Northwest Christian School:

The Washington Conference Office of Education has placed a 2.78% increase in fees on our teacher costs for the 2017-18 school year. This number drives tuition increases. NCS administration recommended a 3% increase in fees for lower grade tuition and a 2% increase in fees for upper grade tuition for the 2017-18 school year. Tuition for next school year will be K-4: \$6,500 and grades 5-8: \$6,750. VOTED: to approve the recommended increase in tuition for the 2017-18 school year. The personnel committee has been involved in conducting interviews for the open 2nd grade and 3rd grade positions for next school year.
